

INTEGRATED MANAGEMENT SYSTEM POLICY

We, Employees, Contractors, and Investors of Corefficient, commit to creating a Competitive Advantage for our Customers by consistently delivering Transformer Cores that meet the requirements of Quality, Delivery, and Value.

Our Priorities Are:

- Accident Prevention
- Environmental Care
- Product Quality
- Company Productivity

We will always act in strict adherence to the values of Collaboration, Excellence, and Responsibility, complying transparently with every Law, Rule, and Regulation.

To fulfill these commitments and establish a leadership position as a provider of Quality Transformer Cores, at Corefficient, we commit to implementing and maintaining a Quality Management System in accordance with ISO 9001 Standard, focused on the continuous improvement of the quality of our products, services, and processes.
